☐ Wacky Wheel of Bowling

Split the bowlers into teams. We provide you with a wheel featuring different ways to bowl, and The Game Master will spin for each team. One member will represent their team on each turn, rotating through so everyone gets at least 2 frames. The bowler representing their team will bowl based on how the wheel lands. The highest team score wins!

☐ Bowling Bingo

Split the bowlers into teams. Each team gets a Bingo Card, and fills-in either the number, "Gutter", "Split", or "Strike" that each player rolls on every frame. The first team to filled-in the entire card wins!

☐ RIVALRUMBLE

Each player on a team bowls a frame. The best frame counts towards the team's score! The team with the highest score WINS! At the end of the game, each player earns their own award, so everyone wins!
